MAKE IT STICK

5 Simple Ways You Can Make This Lesson Stick With Your Kids

THIS WEEK'S LESSON: FINISH THE BUILD

IN THE CAR:

Ask your child what they learned about this week on the drive home: Once you get started, you want to keep building until you're done. Kids will learn that we need to keep walking with God until the end. Genesis 6:9-7:5, Noah's Ark

HANGING OUT:

Make this week's lesson real:

Is there a house project that's been left unfinished for a while? Do the work this week to get it done, and let the kids help. How does it feel to see an unfinished project get done?

AT DINNER:

Here are some great discussion starters:

- Why did Noah build the ark?
- What do you think would have happened if Noah hadn't finished the ark?
- Why is it important to finish the tasks God gives us to do?

AT BEDTIME:

Quiz your child on this week's memory verse:

"For every house has a builder, but the one who built everything is God." Hebrews 3:4

PARENT TIME:

What you need to know:

Anyone can start a project, but it takes perseverance to finish. Set an example for your kids by being someone who finishes what he starts, and encourage them to do the same.
