5 Simple Ways You Can Make This Lesson Stick With your Kids

## Bible Detective Lesson 1

### THIS WEEK'S LESSON: ALWAYS ON THE CASE

#### IN THE CAR:

Ask your child what they learned about this week on the drive home:  
God's word is not supposed to be something we just learn about at church once a week. It is meant to be a part of our everyday lives: something we study, something we talk about with others, something that we think about and try to live out every day.  
Deuteronomy 6:1-9, Love the Lord

#### HANGING OUT:

Make this week's lesson real:  
Share with the kids what habits you have that you do every day, everything from brushing teeth to reading the news. Ask them why reading the Bible should be a daily habit.

#### AT DINNER:

Here are some great discussion starters:

- What is the Bible?
- How can the Bible help us?
- How often should we read the Bible?

#### AT BEDTIME:

Quiz your child on this week's memory verse:

#### PARENT TIME:

What you need to know:  
What websites do you read every day? Do you read the Bible every day as well? Our purpose in this series is to challenge our kids to read the Bible every day. Encourage them to take time daily to read the Bible, and be sure to start (or continue) the habit yourself.
