MAKE IT STICK

5 Simple Ways You Can Make This Lesson Stick With your Kids

Star Words Lesson 2

THIS WEEK'S LESSON: LOVE

IN THE CAR:

Ask your child what they learned about this week on the drive home:
God's love is a force to be reckoned with. He created the universe and everything in it. He loves every person very much. So much so that he would even send his son to die for us to save us from sin. Love is also the most powerful weapon we have to fight against sin. If we are doing what God says, we are showing love to him and to others. Love is when we think of others before ourselves. John 3:16, Matthew 22:36-40 The Greatest Commandment

HANGING OUT:

Make this week's lesson real:
Collect some canned goods or clothes to donate for people in need. What other things can you do as a family to show God's love this week?

AT DINNER:

Here are some great discussion starters: **Jesus represents Love & He died on the cross for us!**
- How did love save us from sin?
- What are the two greatest commandments? **Love your God and Love your Neighbor**
- How can we do a better job of living by the command to love others?

AT BEDTIME:

Examples: sharing, helping others, share the Good News

Quiz your child on this week's memory verse:

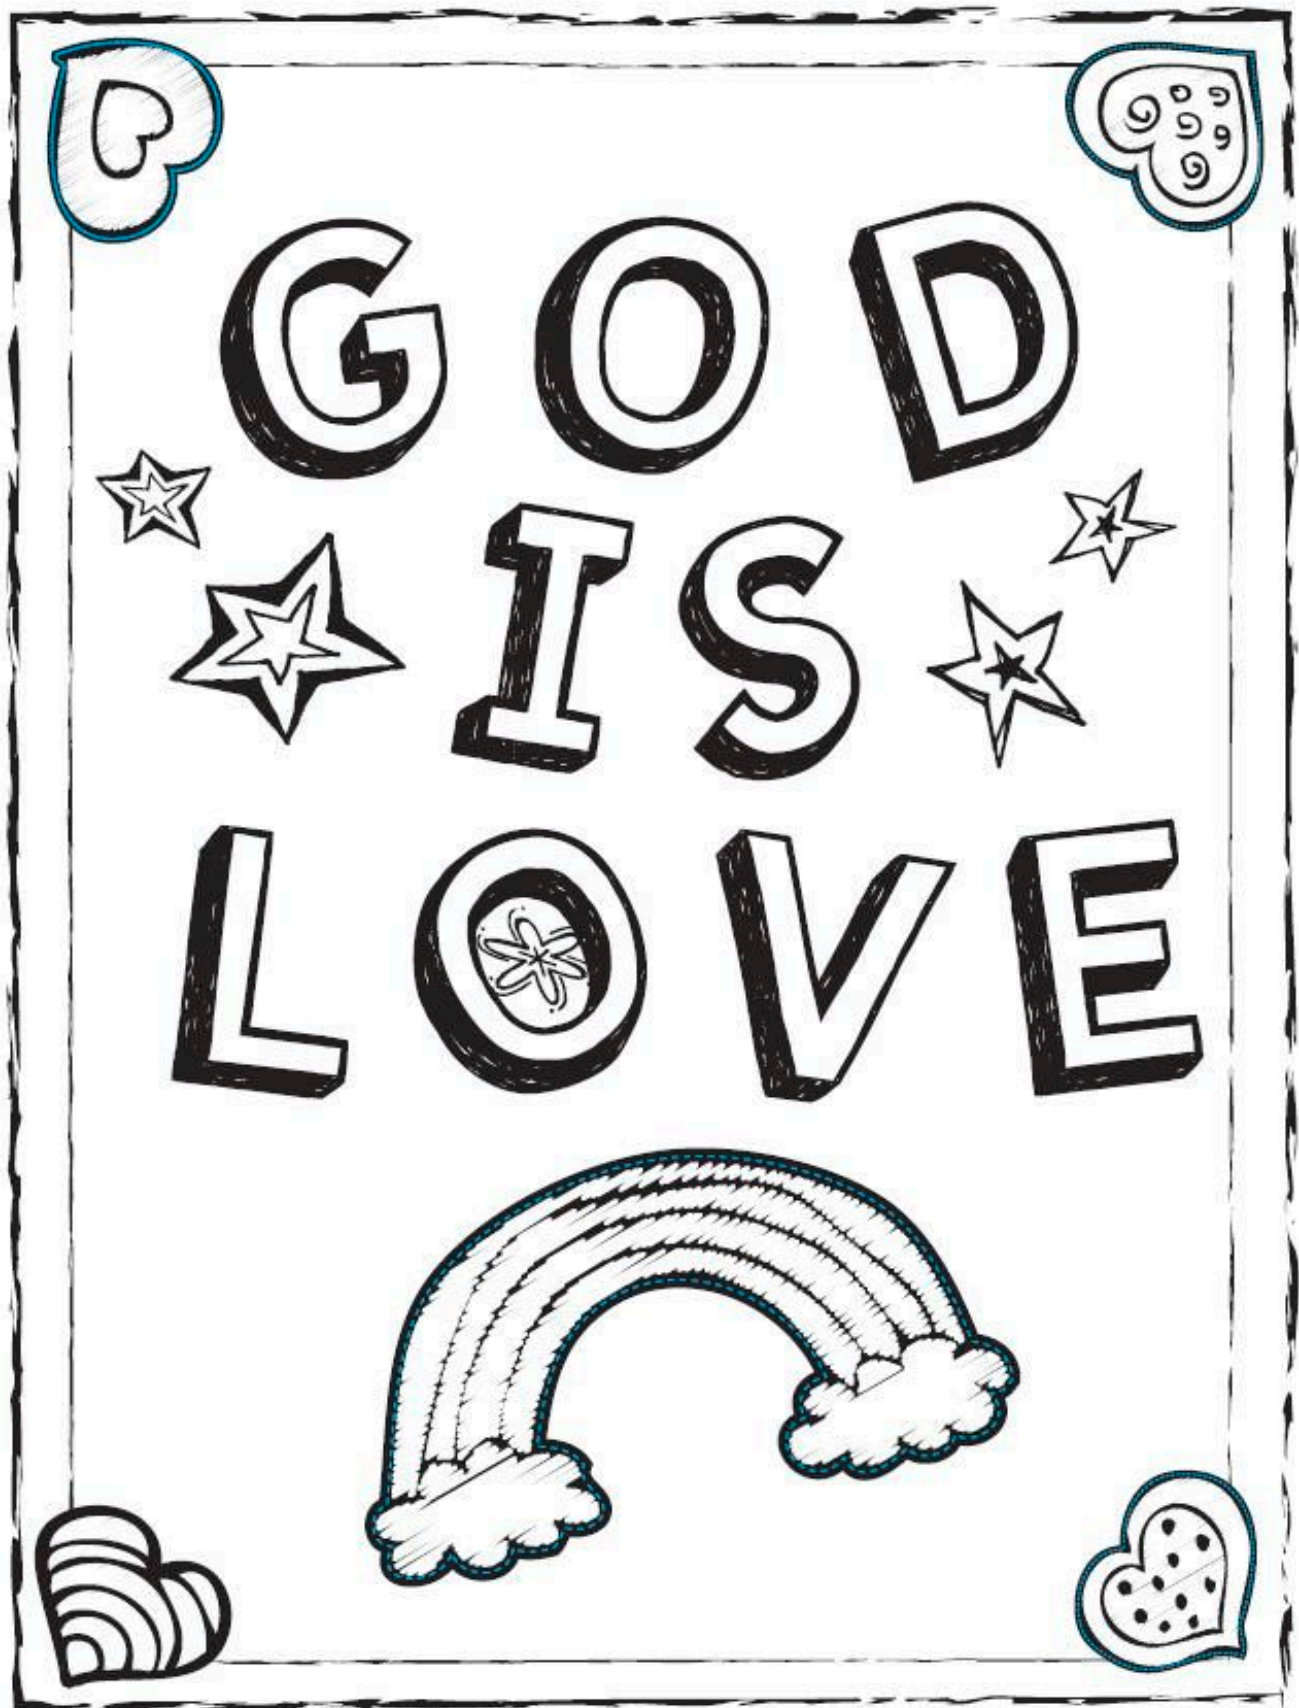

"I have come as a light to shine in this dark world, so that all who put their trust in me will no longer remain in the dark." John 12:46

PARENT TIME:

What you need to know:
Love is the most powerful "force" in the galaxy. Love can save us from sin, keep us from sin, and show others the way to be saved. Pray for your kids to have loving hearts and a desire to share God's love with the world.
