5 Simple Ways You Can Make This Lesson Stick With your Kids

## Bible Detective Lesson

### THIS WEEK'S LESSON: EYEWITNESS STORY

#### IN THE CAR:

Ask your child what they learned about this week on the drive home:

The Bible says that the Holy Spirit will remind us of everything that Jesus said. But how can the Holy Spirit remind us of what we don't know. We memorize God's word – hiding it in our hearts – to help us understand the Bible. The Holy Spirit can then bring these verses to our minds in times of trouble. Psalm 119:9-16, Loving God's Word & John 14:26, The Holy Spirit

#### HANGING OUT:

Make this week's lesson real:

Share some memory verses you know by heart, and ask your kids to do the same.

#### AT DINNER:

Here are some great discussion starters:

- Why is it important to memorize Bible verses?
- How does God help us remember Bible verses when we need them?
- Do you know the memory verse for the Bible Detectives series you're studying?

#### AT BEDTIME:

Quiz your child on this week's memory verse:

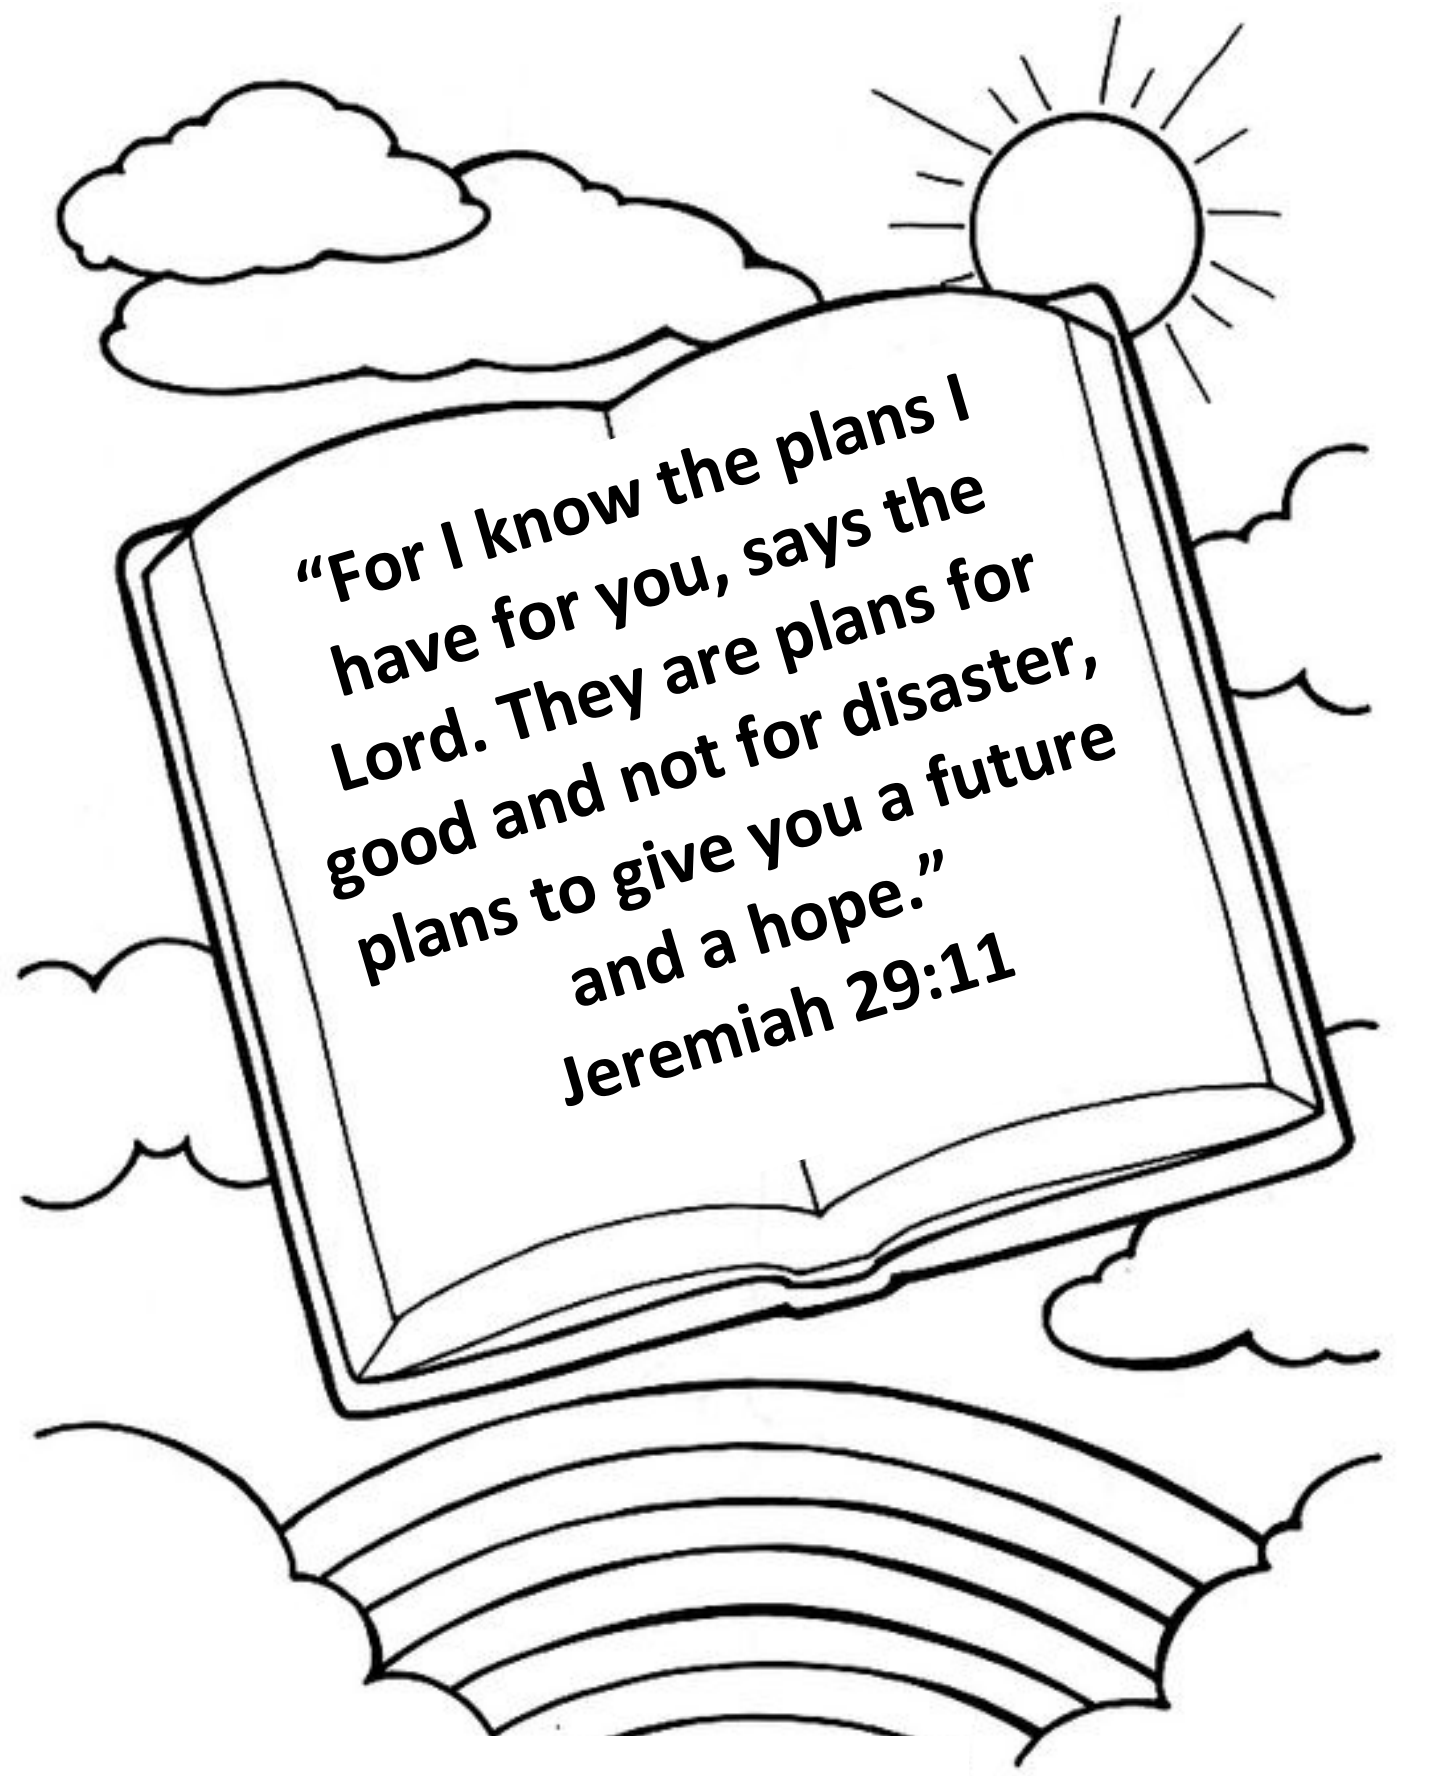

"For I know the plans I have for you, says the Lord. They are plans for good and not for disaster, plans to give you a future and a hope." Jeremiah 29:11

#### PARENT TIME:

What you need to know:

The more scripture we store in our minds, the more we will be able to recall when we need it most. Can you make a commitment to memorizing Bible verses alongside your kids?

A black and white line drawing of an open book. The book is tilted slightly to the right. On the left page, there is a quote in a bold, sans-serif font. The right page is blank. Above the book, there is a sun with rays on the right and a cloud on the left. Below the book, there is a rainbow with several bands. The entire scene is set against a plain white background.
