# MAKE IT STICK

5 Simple Ways You Can Make This Lesson Stick With your Kids

## Wild West Faith Lesson 1

### THIS WEEK'S LESSON: GO WEST, YOUNG MAN

#### IN THE CAR:

Ask your child what they learned about this week on the drive home:

Many people flocked to the Old West because it was a chance to start over in a place where there weren't many people. God called Abram to move to an unfamiliar place and promised to make a great nation from him. Abram trusted God, and knew one day the promise would be fulfilled. Genesis 12:1-8, God Calls Abram

#### HANGING OUT:

Make this week's lesson real:

Take the kids out on a fun outing this week, but do not tell them where you are going. For extra fun, make them shut their eyes or wear blindfolds. Ask your kids how taking such a trip is like following God, where we don't know where we are going but we trust it is some place good.

#### AT DINNER:

Here are some great discussion starters:

- What did God ask Abram to do?
- Why do you think Abram was so willing to trust God?
- Why it is important to follow God's direction?

#### AT BEDTIME:

Quiz your child on this week's memory verse:

"The grass withers and the flowers fade, but the word of our God stands forever."

Isaiah 40:8

#### PARENT TIME:

What you need to know:

God invites us all on a life-long journey of growing in faith and serving Him. Ask God to make His direction clear for you and your children so all of you will follow His lead.
